

Comprehensive Plan Committee
Town of New Lebanon
Box 328
New Lebanon, NY 12125

September 2002

Dear Town of New Lebanon Property Owner / Registered Voter,

The Town Planning Board has recently created a Comprehensive Plan Committee to update the 1965 Town of New Lebanon Comprehensive Plan. One of our first steps is to ask for information from residents through the enclosed survey. This survey is being mailed to all registered voters and property owners.

The Comprehensive Plan is a planning tool used to guide Town government in making consistent decisions that have an impact on land use and patterns of development within the Town. To be effective, the Comprehensive Plan should be based on the community's desires and will contain recommendations and strategies to achieve specific goals.

This survey is part of an outreach effort to seek public input for the Comprehensive Plan that will reflect the community's vision for New Lebanon over the next 10 to 20 years. By gathering opinions and ideas from all residents, we intend to develop a Plan that will represent the views of the community.

We will also seek your participation in public workshops, led by a professional planner, to help identify our community's goals. These workshops are scheduled for Tuesday evening, October 1, and Saturday morning, October 5, 2002. Please save these dates on your calendar. Further information on these workshops may be found on our website and in the local news media.

Please take a moment to complete this survey and *return it to us within three weeks*, either by mail, or in the drop off box in the Town Hall. Because the survey responses are anonymous, and to ensure that the responses are from registered voters or landowners, we ask that you complete the enclosed original copy, and not a photocopy.

Thank you.
Comprehensive Plan Committee
