ACKNOWLEDGMENTS

The New Lebanon Comprehensive Plan Committee thanks the following people for providing information, support and encouragement. We are grateful to Supervisor Albert Wheeler, Town Board members Lawrence Benson, David Katzenstein, Meg Robertson, past Board member John Trainor, Planning Board Chair Ray Herrmann, Planning Board members Jim Dixon and Kari Murad, and Town Clerk Colleen Teal. Most importantly, we thank the citizens of New Lebanon for their participation and support, their insights and comments, and their willingness to work together for the future of our Town.

The Committee was also assisted by a professional planner, Nan Stolzenburg of Community Planning & Environmental Associates, who was retained by the Town. Nan provided invaluable advice and guidance on the Comprehensive Plan process and moderated many of our public workshops and meetings.

The Committee also thanks Clark Engineering for creating the maps included in the Plan, John Walker for creating our website and Charmaine Womack for word processing, creating the tables and charts and assembling the document.

The costs incurred to prepare the new Comprehensive Plan have been underwritten in part by the Town and in part by the following:

- a grant of \$7,500 from the New York State Hudson River Valley Greenway. The Hudson River Valley Greenway is a New York State program designed to encourage Hudson River Valley communities to develop projects and initiatives that will promote the objectives of the Greenway Act of 1991.
- a \$2,500 grant from the Our Town Fund, a fund of the Berkshire Taconic Community Foundation, a nonprofit organization that cultivates philanthropy in ways that have a direct impact in Berkshire, Columbia, northeast Dutchess and northwest Litchfield counties.

The Comprehensive Plan Committee members are:

Michael Arthur
Tom Benson
Doug Clark
John Dax
Chris Dreyfus
Dave Mieschonz
Linda Poulton (co-chair)
Pete Rawson
Karen Ross
Sue Roth
Jack Yurish (co-chair)
