A Letter from the Supervisor

It seems like Spring is finally here! We had a pretty mild winter although it was terrible for our roads – throughout the Northeast, not just New Lebanon. The Town of Canaan had to close 11 roads at one time due to the conditions. It will be a relief when things finally dry out. (Continued on Page 2)

The Memorial Day Parade will kick off from Shatford Park at 9am on Monday, May 27th. It will culminate at the Cemetery of the Evergreens around 10:30am with a special presentation. If you are interested in participating in this year's Memorial Day Parade, please contact Lenny Brown at 518-788-5047 or Lennybrown518@gmail.com. Any group, organization or individual is welcome to march in the parade! We hope to see you there!

From the Tax Collector

New Lebanon property owners who have not yet paid their 2019 Town & County taxes, please note that the office of the Tax Collector here in the Town of New Lebanon continues to have open to the public office hours of Mondays from 5-7pm and Saturdays from 9-11am each week thru the end of May to enable residents to pay these locally.

Also please be sure to check your mailing address associated with your parcel, as it is important that I have your correct, current mailing address on file. I want to be sure you receive your tax bills and any communication that may be mailed out to you in a timely fashion!

Sincerely,
Tammie Darcy

Letter from the Supervisor Continued

The Town Board has three public hearings scheduled for May 14th starting at 6:45 pm at the Town Hall. The Town Board is looking to put four propositions on the ballot for November 5th. There are three local laws to increase the terms of office of the Town Clerk, the Tax Collector and the Highway Superintendent from two years to four years. Additionally, the board has passed a resolution to increase the Town Supervisor's term of office from two years to four years and you will also be able to speak to this action at the public hearing. The Supervisor position must be done differently because the Town Supervisor also sits on the Columbia County Board of Supervisors. New Lebanon is one of only a few towns in the County that still have two-year terms for these positions. The three local laws call for the change to occur as of January 1, 2020; however, the Supervisor position, if approved by the voters, would change as of January 2022. This would provide "stability" for town administration; the positions of Town Clerk and Town Supervisor will not be elected in the same year. Both positions play a significant role in the day-to-day operations of the town and to have a new Town Clerk and a new Town Supervisor at the same time could be very challenging. Anyone interested in speaking about this can come to the public hearings on May 14th, however, if these actions are approved by the board after the public hearing, they are still subject to your vote on the November 5th ballot.

We adopted the first section of re-write of the Town Code on April 9th and this will become effective upon filing with the Department of State. Most of these amendments were administrative in nature, for example, all the town's policies were removed from the code and this was a fiscal decision. The policies will still be available on the website but on their own page that will be maintained by the Town Clerk. Keeping them in the Town Code meant very costly amendments every time we updated a policy. Additionally, there were some minor amendments to several chapters in the Town Code to bring them into compliance with state regulations or correct conflicts within our own code. The second packet of amendments has been sent to the attorney for compilation into a local law. There will be a public hearing on these amendments once the local law is drafted and notice of the public hearing will be published. This second packet addresses land use issues but most of these are also minor changes. The Town Board, the Zoning Re-write Committee and the Building Department are all still working on reviewing other sections of the Town Code. This will be the first comprehensive review that has ever been done on the Town Code.

We are working on creating a Comprehensive Plan Review Steering Committee. The current Comprehensive Plan was adopted in 2005 and should be reviewed every ten years. We are looking for four residents that do not currently work for the town or sit on any town boards or commissions (a couple of local business owners would be fabulous) to add to the Zoning Re-Write Committee to make up the Comprehensive Plan Review Steering Committee. Look for additional information on this steering committee in this newsletter.

We are working on installing a generator at the town hall so the facility can be used in an emergency as a shelter (heating or cooling). We received a grant for half of the cost of the purchase and installation of the generator so the cost to the town will be a little more than \$5,000.

We were very fortunate to acquire the town's history timeline from the Heritage Center when they closed. We have installed this in one of the hallways on the first floor of the Town Hall along with many of the documents from the NL 200. Stop in some time and take a look; it is very interesting. (Continued on Page 3)

Letter from the Supervisor Continued

We are still working with NYS Department of Transportation (DOT) to get Route 22 paved from Peaceful Valley Road in Canaan to the intersection of Route 20 in New Lebanon. This summer (estimated early June), DOT will be milling and repaving the three worst sections – one just North of Berkshire Farm, one just South of Berkshire Farm and one between Route 295 and Peaceful Valley Road. Each section that will be repaved is at least a mile in length according to DOT. This will at least take care of the worst spots but the Canaan Town Supervisor and I are still working with DOT to find the funding for the whole project.

This spring we hope to add new bathrooms at the Pavilion. The project was put out to bid with no responses so we are advertising again. It is little tricky with the summer youth program but we are still hopeful that we can get it done this year. These new bathrooms will be handicapped accessible. We have put a lot of money and hard work into restoring and expanding our park but, sadly, we are also dealing with a lot of vandalism. We are looking at the possibility of installing security cameras at the park to help combat the vandalism.

We are still looking for people interested in serving on the Recreation Commission. This commission is responsible for establishing and coordinating recreation events and programs for the town, such as the community picnic. If you are interested in this position, please contact the Town Clerk to find out more.

The Town Board is looking at a project to convert all the streetlights to LED lighting; this will cut the cost of streetlighting in half. It generally takes about a year to work through this project with NYSEG but we have started the process.

While the changes in broadband availability have been a long time coming, it seems like it is pretty much here. If you are struggling to determine if you have access to high-speed internet, please call my office or send me an email. There is still a lot of confusion within both Consolidated Communications and Spectrum about where services are available but I have contacts that can help clear up the confusion. Many residents that DO have access were told by one or the other (or both) that they did not so do not assume you cannot get highspeed internet simply because you called the main 800 number and were told that. Consolidated Communications appears to be proactive about building out in additional areas when there are multiple homes interested in services and Spectrum just reached an agreement with the NYS Public Service Commission to continue doing business here that includes additional build-outs in upstate New York.

As always, thank you for the opportunity to serve as your Town Supervisor.

Warmest regards,

Colleen

NYS DMV Real ID, Enhanced or Standard? What To Do?

Columbia County Clerk Holly C. Tanner is happy to present a Town Hall meeting on the issue of NYS licensing related to the Homeland Security Act. She will hold a Town Hall meeting on Saturday, June 15, 2019 at 10am at the New Lebanon Town Hall, 14755 State Route 22, New Lebanon, NY, 12125. This will be an informational session for town residents that will hopefully answer your questions about what you need. All are welcome! Please call the County Clerk's Office at 518-828-3339 for more information!

From the Assessor

2019 Reassessment news:

- The 2019 Reassessment has been completed. Informal notices were sent out in February and Informal meetings were held. Anyone who attended an Informal hearing will receive a new notice around May 1st. Notices are sent to anyone that attended, even if there was NO assessment change.
- On May 1st, the Tentative Roll will be published and made available to the public. It can be viewed in person at the Town Hall during normal business hours or online through the Town of New Lebanon Website.
- During the month of May, the Assessor will be available with the Roll on the following days:

Monday May 6 th	8-12
Saturday May 11 th	8-12
Monday May 13 th	8-12
Monday May 20 th	4-8 (evening)

GREIVANCE DAY WILL BE HELD MAY 29TH FROM 3-5pm AND 6-8pm

- For anyone wishing to file a grievance, there are forms available outside the Assessor's Office door and online on the Assessor's page of our website.
 - If you are filing a grievance, please be sure to submit documentation that supports your estimate of value along with your forms.
 - Supporting documentation is typically in the form of a listing of your property, a Realtors CMA, sales of similar properties or an appraisal. Photos are also helpful.
 - Please note other ASSESSMENTS are NOT considered supporting documentation during the year of a reassessment, per Opinion of Counsel Volume 10-104
 - To have your forms reviewed by the Assessor prior to Grievance, please submit them as early as possible.
 - Grievances and supporting documentation can be mailed, dropped off in Town Hall or emailed to the Assessor at assessor@townofnewlebanon.com prior to Grievance Day.

STAR CHANGES

- Due to all of the recent STAR changes, be advised that if you receive a letter from the Department of Taxation and Finance, you must respond to them - NOT the ASSESSOR.

Recent changes in the law beginning this year: If you currently receive your STAR benefit as a reduction on your school tax bill (the STAR **exemption**), you may receive a greater benefit if you switch to the STAR **credit** to receive a check instead.

- The value of the STAR **credit** may increase by as much as 2% each year, but the value of the STAR **exemption** will not increase
- The income limit for the Basic STAR exemption is now \$250,000

If your income is **more than \$250,000**, you **must** switch to the STAR **credit**. If your income is **\$250,000 or less**, you have the **option** to switch. To switch to the STAR **credit** instead of the STAR **exemption**, you must contact the ASSESSOR for instructions at assessor@townofnewlebanon.com or 518-794-8875.

A Message Regarding Your Garbage Cans On The Road

How long can I leave my garbage cans out by the road for garbage pick-up? If you are placing your garbage cans along the side of the road, please do not leave them out for more than 12 hours. If the company that picks up your garbage is telling you that you need to leave them out for several days because they do not know when they will come pick up, that is not acceptable. The roadway is for traffic and the road maintenance crews need to be able to work on the roads: plowing, sweeping, grading, etc. The allowance for trash cans to be set along the side is for public convenience but not specifically allowed by any law. Leaving something in the roadway is actually prohibited by law. Please put your garbage out no earlier than the night before a scheduled pick up and leave it out no later than the evening of that same scheduled pick up (a 12-hour window is reasonable). If you have a missed pick up, have your service provider give you a specific date for getting that pick up and take your cans off the road until that pick up.

Tree Donation Program for Shatford Park

The Town of New Lebanon is offering the opportunity for residents to donate a tree to Shatford Park in honor of a person of your choosing. You can donate a tree of any type (Fruit, Maple, Oak, etc.) and place a memorial plaque in front of the tree in honor of someone. The tree options and prices (including the tree purchase, installation and the cost of the memorial plaque) are: Apple trees (Cortland, Empire, Fireside, Freedom, Honey Gold, Frostbite, Snow Sweet, Honey Crisp and Wine Crisp) are \$200 each; Mount Royal Plum trees are \$200 each; Lapin Cherry Large Mahogany trees are \$200; Maple trees (Crimson King-Red Leafed Norway, Fall Fiesta Sugar, Green Mountain Sugar) range from \$240 - \$370 depending on the type of Maple you choose. You can view the memorial plaque at www.etsy.com/listing/277826438/memorial-plaque-memorial-tree-marker. We will order whatever wording you would like to have on the memorial plaque. If you are interested in donating a tree, please contact the Town Clerk's Office at 518-794-8888 or townclerk@townofnewlebanon.com.

The Next KISS Program at the New Lebanon Town Hall

The Columbia County KISS Program is once again available to seniors in every town in Columbia County. The KISS Program, founded by Columbia County Clerk Holly Tanner, stands for Keeping the Identities of Seniors Safe. It was designed to protect the identities of our seniors while assisting them in the shredding of their sensitive materials. Seniors are encouraged to contact their local Town Hall for hours of operation and more information on the program. Justin Weaver, Columbia County Clerk's Records Services Manager, is overseeing the program and can also be contacted with any questions at 518-822-0143. The next KISS program runs at the NL Town Hall from June 10 – June 28. Please stop in the Town Clerk's office first, before putting your papers in the shred bin.

From the Free Store

The Free Store is in need of volunteers to organize and sort donations. In order to keep this wonderful program (that offers free clothing, footwear and children's items to anyone in our community), we need regular volunteer hours to sort and organize all the donations that come in. The free store is open Mon, Wed, Thur and Fri from 9-5. Come check out all the great items we have! If you can spare an hour or two a month (or more), please contact the Town Clerk at 518-794-8888 or townclerk@townofnewlebanon.com.

Town Seeking Volunteers for The Comprehensive Plan Review

Are you interested in the future of New Lebanon? Would you like to work on updating our Comprehensive Plan?

The Town Board has designated the Zoning Re-write Committee (ZRC) to coordinate the update of the New Lebanon Comprehensive Plan. That committee consists of two representatives each from the Town Board, Planning Board, Zoning Board of Appeals and the Conservation Advisory Committee. The town wishes to add four additional members, who are not employees of the town and do not sit on any town boards or committees, to work with the ZRC on the Plan update.

First, what is the Comprehensive Plan?

The Comprehensive Plan is a document that identifies the vision, goals, objectives, principles, and guidelines for the immediate and long-range protection, enhancement, growth and development of the municipality. It answers the questions: what does our community look like now, what should it look like in the future, how do we intend to get there, and why should it be done? It is really a blueprint for integrating many sectors of the local community – eg. transportation, human services, recreation, environment, and fiscal and economic development – into a single, cohesive document. It also serves as the foundation or basis for all our zoning regulations.

What are the benefits of a Comprehensive Plan:

- Provides a process for identifying community resources, long-range community needs, and commonly held goals;
- Provides a process for developing a community consensus;
- Provides a blueprint for future governmental actions.

The current New Lebanon Comprehensive Plan was adopted in 2005. It requires constant updating.

What will be involved?

It is anticipated that the Comprehensive Plan Review Steering Committee will begin the Plan update work in mid- to late-summer. The update project is expected to last 9-12 months. During that time, the committee will meet on plan-related matters about once a month. It is anticipated that subcommittees will be formed to complete work on specific sections of the Plan and may hold additional meetings, as needed. Individual committee members will determine their own level of involvement based on their interest and time availability.

Because the current Plan is generally regarded as a solid foundation, it is expected that the overall level of effort involved in updating the Comprehensive Plan to be fairly modest. The ZRC has already received expert advice on the tasks that need to be performed to complete the update. The update committee will determine which of these tasks it will take on directly and which we may need to hire a professional for. The committee will then develop a budget that would need to be approved by the Town Board. All members will help decide what in the current plan needs updating and the best methods for getting public input.

Once a draft is developed, it will be reviewed by the New Lebanon Town Board, the Columbia County Planning Board, and public hearings will be held for input from the public. If you are interested in helping to shape the future of our wonderful town, please contact the Town Clerk at 518-794-8888 or townclerk@townofnewlebanon.com.

Music in the Park Starts Soon!

The third season of "Music in the Park" in the Weisbuch pavilion will begin in June. Again this year, the program consists of free concerts on Sunday afternoons with different performers playing a variety of music genres.

MARK YOUR CALENDARS so you will not miss this great experience:

Sunday, June 23, 2019 from 1:00 to 4:30 PM

Sunday, July 21, 2019 from 1:00 to 4:30 PM

Sunday, August 18, 2019 from 1:00 to 4:30 PM **

Sunday, September 15, 2019 from 1:00 to 4:30 PM

** The August date will also be the NEW LEBANON COMMUNITY PICNIC, put together by the Recreation Commission. Food and soft drinks will be free. It's a great chance to meet your neighbors and enjoy music in a family-friendly environment. The Recreation Commission is also working to line up food and beverage (including wine and beer) vendors for the other three concerts. Interested vendors should contact Tegan Cook at teganjoy2015@gmail.com or 206-349-6403.

Performers:

June 23	Linda Worster and David Grover	1:00 PM
	Mary Ann Palermo and First Take	2:15 PM
	Born IV Blues with Gina Coleman	3:30 PM
July 21	Wintergreen	1:00 PM
	Melissa Brinton & Fanny Pack	2:15 PM
	Lindsay and the Four One Trio	3:30 PM
August 18	The Echoes	1:00 PM
	Laurie Travis Band	3:00 PM
September	Banjo Blue with Paula Bradley	1:00 PM
	Up in the Air	2:15 PM
	Apocalypstik Redd	3:30 PM

Organizations and individuals are invited to set up a table to inform people about their goods and services. Please – no political booths. The person or organization is responsible for bringing a table and rain/sun protection – we only provide a patch of grass. Contact Doug banker (see below) to register.

Anyone may be a sponsor of the Music in the Park events. Donation of funds are used to help pay the performers. In-kind donations such as soft drinks, water, etc. will also be accepted. Sponsors will be noted on the Facebook page and in other publicity (unless they request to be anonymous).

Volunteers on the day of the concerts are needed to help set up the pavilion. For the September show, we need a person to manage parking. We also are looking for someone to photograph all four events. The latter two positions are paid. Contact Doug Banker at 518-794-9764 or charlesbanker@fairpoint.net for details or to sign up.

Facebook users should like and follow our page at <https://www.facebook.com/NewLebMusic/> for all of the latest information.

Town Clean Up Day

Please be advised that the 2019 Clean Up Day (AKA: Dump Day or Trash Day) will be held on May 18, 2019 from 8:00 am – 2:00 pm, rain or shine. Before May 18th, you must obtain a punch card from the Town Clerk's Office or the Building Department at the Town Hall. One punch card per household allows 4 tire and two trips in any vehicle that is a maximum of 10 ft. We will ask for proof of residency (ie, driver's license or utility bill) and a non-perishable food item that will be donated to Charlie's Pantry. Please be mindful of the expiration dates on your donated food as expired food cannot be accepted.

For those of you who are not familiar with Clean Up Day, this is a one day event held annually by the Town for its residents to provide access to trash dumpsters also known as roll-offs. The roll-offs (dumpsters/bins) are set up in the Town Hall parking lot in the space between the Highway Garage and the basketball courts and behind the Highway Garage. The fee for this service is a non-perishable food donation to Charlie's Pantry, which must be dropped off at the Town Hall when you pick up your punch card.

This event is a structured event, meaning that you don't just pull up and off-load into a dumpster. There are separate dumpsters/bins for different categories of items and is operated by a great group of volunteers who will be assisting you in off-loading your vehicles which helps keeps the line moving. For this reason, it is a great idea to keep tires at the top of your pile so that they can easily be off-loaded and rolled to their designated dumpster while you are waiting in line to off-load the rest. It is also a good idea to separate metal and appliances toward the back or bottom of your pile as there are designated bins for those items as well.

We are always very grateful for the generous folks who donate their time and muscle, especially on a Saturday, to be a part of the off-loading crew. They are fabulous to work with and actually make 'trash day' a fun day. If you are interested in volunteering we would be happy to add you to the crew simple call our office at (518) 794-8884 to request to be placed on our list.

For residents with physical/medical challenges who may need assistance getting their items loaded and/ or transported to town hall, please call us well in advance of the event so that we have ample time to try to find an available volunteer(s) with a large enough vehicle and who is physically able to assist you. We currently have generous Town Officials who have offered their services in the past. We hope to see you on May 18th!

Cissy Hernandez, Code Enforcement Officer
Jeff Hattat, Deputy Code Enforcement Officer

New Lebanon Town Clerk's Office Places First in Statewide Contest

The Town of New Lebanon captured the #1 spot in two categories for the DEC 2018 Habitat & Access Stamp Promotion! Our Town Clerk's Office placed first in overall Habitat Stamp Sales with 266 stamps sold and also won the title for most improved in sales. This contest was across NYS with all locations that sell hunting and fishing licenses competing. We were competing with Towns and retailers much larger than us and it was a huge accomplishment to take first place. A huge thank you to all of habitat heroes who helped us win and supported NYSDEC's efforts to improve and conserve fish and wildlife habitat by purchasing a habitat stamp with your hunting and/or fishing license!

Farmers' Market Coupons

The Columbia County Office for the Aging expects that annual Farmer Market Coupons will be available this year. Although no information has been provided, they are estimating that these will be on hand sometime in May and June and eligibility will be based on income levels. Please contact their office after June 1st for further details on the availability of Farmers' Market Coupons at 518-828-4258.

Medicare Buy-In Program

There is a program available to assist you with your Medicare Part B premium called the Medicare Savings Program, also known as the Medicare Buy-In Program. Based on your current income, the Medicare Buy-In Program could help pay your Medicare premiums as well as your deductibles. An individual cannot make more than \$1,386.00 a month and a couple cannot make more than \$1,872.00 a month. It does not look at assets in New York State. If you enroll in the Medicare Savings Program, you will automatically get Extra Help, the federal program that helps pay most of your Medicare Part D drug costs.

Extra Help is a program to help you with your prescription drug costs and sometimes the premium, depending on your income. Your income must be below \$1,425.00 a month for an individual or \$1,922.00 a month for couples. Assets cannot be more than \$9,230.00 for an individual or \$14,600.00 for couples. If your income is a bit higher, you may be eligible for Partial Extra Help. You can apply for Extra Help at: www.SocialSecurity.gov/extrahelp or call Social Security at 1-800-772-1213 to apply over the phone.

Please Complete the Senior Survey

The Columbia County Office for the Aging is conducting a Needs Assessment of the senior population that live in Columbia County. A survey has been prepared to assess these needs. The results of this survey will help them determine how to best focus their efforts and resources to serve the seniors in our community better. To have a copy of the survey mailed to you, please contact the Town Clerk's Office at 518-794-8888 or stop in and pick one up during open hours (Mon, Wed, Thur & Fri from 9 – 5). The more responses we can get to the survey from seniors in our community, the better our access to vital services will become. This is our opportunity to communicate with Columbia County as to the services that we need here in New Lebanon to serve our senior population as well as possible. Surveys are due to the Office for the Aging by Sunday, June 30th.
