

# New Lebanon, NY

## COUPONS & EVENTS

MAY - SEPTEMBER 2021

The Town formed a Business and Economic Development Committee (BEDC) at the beginning of 2020 and appointed Monte Wasch to serve as Chair. Its goal is to promote economic development in New Lebanon by attracting new businesses and industry, supporting existing businesses, and working towards a thriving economy and quality of life for the benefit of all. The Committee is working on a number of initiatives in community appearance/design, infrastructure improvements, outreach and marketing, improving food resources and supporting local businesses to ride out the economic conditions caused by the pandemic.

This publication, compiled by the BEDC, and produced by the Outreach and Marketing subcommittee, offers coupons and discounts on select New Lebanon services as well as a listing of events taking place from May through September, 2021. Every New Lebanon business was given the opportunity to put in a free listing. It also includes a list of free outdoor recreational opportunities available during that same time period.

We will be doing another business mailer on August 1. If you are a New Lebanon business owner and have an idea for the next mailer that could help support your business, please contact [supervisor@townofnewlebanon.com](mailto:supervisor@townofnewlebanon.com) or 518-794-8889. If you have a business based out of New Lebanon and you were not given a chance to offer a coupon or event listing and would like to be included in a future edition, email [supervisor@townofnewlebanon.com](mailto:supervisor@townofnewlebanon.com) or call 518-794-8889.

A note to New Lebanon residents: during this pandemic, our local businesses are struggling to stay afloat and we hope everyone will consider supporting our local businesses as much as possible.

*-Tistrya Houghtling, Town Supervisor, and Monte Wasch, BEDC Chair*

The Town of New Lebanon Coupon and Event publication has been created for you by the New Lebanon Business and Economic Development Committee (BEDC). While the BEDC strives to make the information in this publication as accurate as possible, it makes no claims, promises, or guarantees about the accuracy, completeness, or adequacy of its contents, and expressly disclaims liability for errors and omissions.

Listings in this publication are for the information and convenience of the public, and do not constitute endorsement, recommendation, or favoring by the BEDC or the Town of New Lebanon. If your business is in New Lebanon and you would like it to be included in future issues of this publication, please contact [supervisor@townofnewlebanon.com](mailto:supervisor@townofnewlebanon.com).

## ONGOING EVENT

### Outdoor Farmers Market

Sundays, June through November, in the parking lot between Berkshire Bank and the Gallup Inn.

## **NEW LEBANON OUTDOOR RECREATION**

### **CORKSCREW RAIL TRAIL**

The rail trail follows a section of the old Rutland Railroad which ran from Bennington, Vermont to Chatham, New York. Due to the tight turns between hills, this section was called "The Corkscrew." It runs approximately 2.5 miles south from Knapp Road, Stephentown, past the Columbia County line into New Lebanon. This trail is on private property and is open to the public use by the generosity of the owners. Please respect all rules and treat this community trail with care.

There are two entrances: Lovers Lane, New Lebanon and Knapp Road, Stephentown

### **HAND HOLLOW CONSERVATION AREA**

These walking trails feature woodlands, meadows, a lake, two ponds, streams, and wetlands. This variety of habitats makes it a prime location for spotting beavers, otters, black bears, bobcats, and wild turkey as you meander the 2.8 miles of trails. Hand Hollow is a great place to birdwatch, cross-county ski, and kayak. Trails are primarily flat. Parking available.

There are two entrances:

Location: 387 Gale Hill Road or 4079 County Route 9, New Lebanon, NY 12125

Location: County Route 34 (Hand Hollow Road) near intersections of County 9 and Schoolhouse Road, New Lebanon, NY

### **SHAKER MUSEUM MOUNT LEBANON TRAILS**

Self-guided tours and use of the pasture & hiking trail are always free for all visitors every day.

202 Shaker Road

New Lebanon, NY 12125

### **SHAKER SWAMP CONSERVANCY**

The Shaker Swamp is a 400-acre freshwater wetland located at the foot of the Taconic mountain range in eastern Columbia County, New York. This massive wetland is location in New Lebanon, a central crossroads connecting the Hudson Valley to western New England. Our focus is on the area south of Route 20 bounded on the west by Route 22 and the east by Shaker and Darrow Roads.

With parking and kiosks on the main route through town on Rtes. 20/22, and with accessible boardwalks and trails, local residents and visitors will enjoy a variety of experiences in all seasons - a quiet and meditative nature walk, a birding outing, an opportunity to learn about Swamp ecology from a series of informative displays, or a chance for exercise.

### **SHATFORD MEMORIAL PARK**

Route 22, New Lebanon

Details: Playground, tennis courts, baseball fields, basketball court, Pavilion rental.
