

New **Lebanon BUSINESS** Directory

The Business and Economic Development Committee (BEDC) has been busy working on supporting our local businesses! The goal is to promote economic development in New Lebanon by attracting new businesses and industry, supporting existing businesses, and working towards a thriving economy and quality of life for the benefit of all. The Committee has worked on a logo and slogan for the town, creating welcome packets for new businesses and residents and a business directory. This is the second edition of our business directory.

The directory, compiled by the BEDC, and produced by the Outreach and Marketing subcommittee, is as comprehensive a listing of businesses here in New Lebanon as could be assembled. Please note that some businesses chose not to be listed and others did not respond to the subcommittee's efforts to include them. If you have a business, nonprofit and/or community organization based out of New Lebanon and it is not included here, email supervisor@townofnewlebanon.com to be included in future editions.

A note to New Lebanon residents: during this pandemic, our local businesses are struggling to stay afloat and we hope everyone will consider supporting our local businesses as much as possible.

Tistrya Houghtling, Town Supervisor, and Monte Wasch, BEDC Chair

The Town of New Lebanon Business directory has been created for you by the New Lebanon Business and Economic Development Committee (BEDC). While the BEDC strives to make the information in this directory as accurate as possible, it makes no claims, promises, or guarantees about the accuracy, completeness, or adequacy of the contents of the directory, and expressly disclaims liability for errors and omissions in the contents.

Listings in this directory are for the information and convenience of the public, and do not constitute endorsement, recommendation, or favoring by the BEDC or the Town of New Lebanon. If your business is in New Lebanon and you would like it to be included in future issues of this directory, please contact supervisor@townofnewlebanon.com.
