General Instructions

Please Read

1. Attach hereto a copy of the duly filed deed indicating the current ownership of the subject property. If the owner is a corporation, attach a list of all directors, officers, and major stockholders. If applicant is a contract vendee, then attach a copy of the duly executed contract of sale.
2. If the applicant is not the owner, submit a letter signed by the property owner granting authority to the applicant to act on this application. If the owner is a corporate entity or trust, submit a letter signed by the authority of the entity or trust granting authority to the applicant to act on this application.
3. The applicant shall submit a list of the names and addresses of all adjoining property owners and of those property owners directly across all road frontages adjoining the proposed development. The list shall also contain the Town of New Lebanon current tax map numbers for each parcel.
4. NYS Town Law and/or the Town of New Lebanon Town Code obligates the Planning Board to conduct a Public Hearing with respect to certain projects within 62 days following receipt of a **COMPLETE** application for the project by the Planning Board Clerk. Due to the complexity of many proposals and the numerous technical and procedural requirements of all the applicable laws and regulations, many applications may be found to be incomplete or deficient and therefore, not ready for Public Hearing nor Planning Board approval. Thus, a determination based upon all pertinent facts and circumstances cannot always be rendered by the Planning Board within 62 days. To do so might result in a disapproval when, with further information or changes, and SEQR compliance, approval or approval with modifications might otherwise occur. In such cases, Planning Board staff will notify the applicant of missing or incomplete items in accordance with guidelines laid out in the Planning Board Manual.
5. In light of the above, you are asked to indicate, by checking the appropriate space on the application form, whether you consent to the extension of the 62-day public hearing period or review period, for so long as may reasonably be necessary to generate a submission which is complete and in conformity with all pertinent requirements. You may revoke your consent at any time by communicating that fact in writing to the Planning Board Clerk, whereupon your project proposal will be scheduled for the next regularly scheduled meeting of the Planning Board. In doing so, however, this might result in a disapproval when, with further information or changes, and SEQR compliance, approval or approval with modifications might otherwise occur.
6. Please be advised that the Planning Board review process often involved engineering, legal, and other professional skills. While the Planning and Building Department staff will provide guidance and assistance within reasonable limits, the responsibility for the proper presentation of the proposal lies with the applicant and the applicant's advisors, and not upon the Planning and Building Department, its staff, or the Planning Board.
7. An applicant has the ability to request a meeting with the Building Department and/or the Planning Board Chairperson to obtain guidance on responding to the application. This is a courtesy to assist applicants in preparing for their first Planning Board meeting and does not waive any provisions of State or Town Laws. The Planning Board reserves the right to request additional information not included in the application. Refer to the Planning Board Manual and Town Zoning Code for specifics related to procedures.
8. Fee Schedule: Individual fee schedules are listed on the Town of New Lebanon website and are specific to the type of project. These are subject to change from time to time at the approval of the Town Board. Escrow accounts will be established as required by the Planning Board upon the advice of applicable professionals engaged by the Town to assist the Planning Board.
9. Additional fees (escrow) may be required in an amount necessary to defray additional costs of special consultants engaged by the Town to assist in the review of an application. The Planning Board will endeavor to provide notice to the applicant in advance of securing a special consultant to allow the applicant time to alter or remove their application before the Planning Board.
