Title : Supervisor Town Of New Lebanon

523 US-20 New Lebanon NY 12125 (Municipal Building)

Date: 10/16/24

Project Title: Power Washing Services, Prep Work, Sand, Paint. (Approx 6,300 SQFT)

Project Description: Jomax mold and mildew shock treatment, Full pressure wash. Siding, windows, doors, trim, & exterior of gutters only ETC. 24-48 hours dry time after wash. (Weather permitting). Prep work will then begin. Such as cleaning, sanding, and tape / plastic protection. All electrical fixtures will be protected prior to power washing services. As well as before the paint application. The building will be all one color. (White) As requested by the supervisor. A BEHR multi surface exterior paint is suggested for ultimate protection. Specifically for metal buildings. 2 coats will be applied. Most locations of the building will be sprayed. Other areas will be hand brushed or rolled where necessary. (Customer Provides Any And All Material As Discussed Needed For The Project) (Contractor Is Responsible For The Material List) (This Quote Is For General Labor Cost ONLY)

Invoice Number #214
